EMERGENCY RESPONSE PLANS

Tuesday, June 8, 2010 ■ 10:00am-3:30pm ■ HPN

This discussion will focus on the elements of a solid Airport Emergency Plan (AC 150/5200-31C). All attendees are urged to bring a copy of their current emergency plans. Representatives from the FAA airports division may be in attendance.

Mr. Vincent Cimmo, FAA Runway Safety Program Manager, will be the featured speaker. We will be hosted by the Westchester County Airport. The moderators will be Steve Ferguson, Assistant Airport Manager and Jeremy Nielson, Airport Operations Supervisor & Training Supervisor.

The session will be held at the airport on Tuesday, June 8, 2010 from 10:00am to no later than 3:30pm.
