WILDLIFE HAZARD MANAGEMENT FOR NON-CERTIFIED AIRPORTS

Thursday, November 13, 2008 ■ 10:00am-2:00pm ■ ALB

ABOUT THE PROGRAM

New York Aviation Management Association is pleased to sponsor a Wildlife Hazard Management Workshop for those airports who are not certified (FAR Part 139) or who have not been required to complete the formal assessment.

Regardless of your size or status, you may have a wildlife problem. This workshop will provide an introduction to the issue and assist you in determining the status of your facility.

Please note, this workshop will not meet the requirements of FAR 139.337(b).
